“SHARIF” JOURNAL OF SCIENCE AND TECHNOLOGY
EDITOR-IN-CHIEF: ABOULHASSAN VAFAI

This Journal is published under the auspices of Sharif University of technology, Office of the Vice-Chancellor-In-Charge of Research.

The Journal is published quarterly in Farsi language, aims at establishing a relationship between scientists active in different branches of science and technology and, in particular, at providing a forum for exchange of knowledge between scientists and technologists related to scientific problems prevailing in contemporary society. The journal also strives to present practical and theoretical analyses of these issues and facilitates the circulation of modern scientific findings by scientists and researchers for practical application. In addition, “Sharif” publishes papers focusing on issues of specific concern to universities, including research, technological advancements, and topics related to matters of higher education.
